**FLAT SCANSTRIP**

Flat Scanstrip adheres to retail shelves to display prices, barcodes and other information. Made to world quality standard, Scanstrip is UV resistant and has a clear scan-readable front.

Colours:	Black, Blue, Clear, Grey, Red, White.	
Lengths:	914 mm, 1200 mm or cut to size.	
26 mm wide	50 per carton	SF26T*
30 mm wide	50 per carton	SF30T*
35 mm wide	50 per carton	SF35T*
39 mm wide	50 per carton	SF39T*
45 mm wide	50 per carton	SF45T*
52 mm wide	45 per carton	SF52T*
60 mm wide	70 per carton	SF60T*

Some colour/size combinations are available in production quantities only (1000m+)

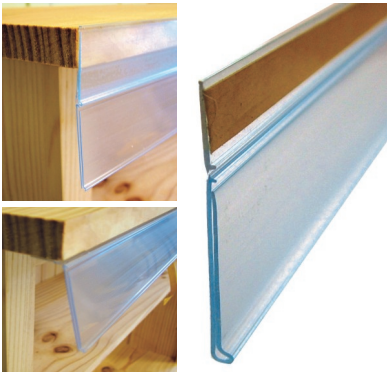

**CRYSTAL STRIP**

The future in Scanstrip is with the new "crystal clear" PETG strip. Clearer than ever before and with a gloss finish that brightens ticket colours. Stock colour: Clear.

Lengths:	914 mm, 1200 mm or cut to size.	
26 mm wide	50 per carton	PSF26T*
39 mm wide	50 per carton	PSF39T*

Sold in full cartons only

Any colour/size combinations can be made in quantities of 1000 metres or more.

**HINGED SCANSTRIP**

Self adhesive Scanstrip is attached under an existing length of Scanstrip to add an extra line of information. The built in hinge allows it to flip out of the way as stock is taken from the shelves.

Can be used under the shelf as an alternative to Anglescan.

Colours:	Clear	
Length:	1200 mm or cut to size.	
26 mm	80 per carton (tape on front)	SHF26TFCL*
39 mm	50 per carton (tape on front)	SHF39TFCL*
39 mm	50 per carton (tape on back)	SHF39TBCL

Sold in full cartons only

Other sizes / colours available in production quantities of 1000 metres or more.

**HANGSCAN**

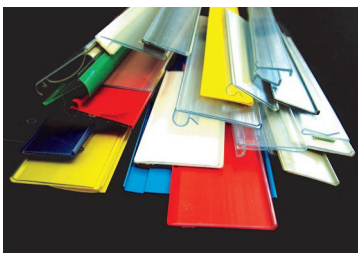

Used to display tickets on racking, baskets and in fridges.

Holes punched to order. Supplied with Cable Ties for hanging.

Colours:	Black, Clear, Red.	
Lengths:	914 mm or 1200 mm or cut to size.	
26 mm	70 per carton	SBF26*
39 mm	50 per carton	SBF39*

Sold in full cartons only

Other sizes / colours available in production quantities of 1000 metres or more.

**CUSTOM WORK**

Custom profiling work is our specialty!

We are dedicated to quality and excellence in workmanship and work continuously to develop improvements in shelf stripping to meet the demands of the modern retail marketplace.

Shelf Display

Angled Scanstrip

ANGLED STRIP

Angled Scanstrip provides an easier reading angle for lower retail shelves. Adheres to the FRONT edge of the shelf.

Colours: Black, Blue, Clear, Grey, Red & White.

Lengths: 914 mm, 1200 mm or cut to size.

26 mm 50 per carton

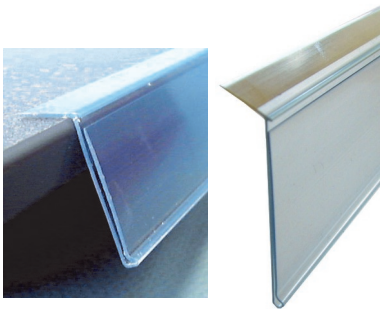

SAV26T*

39 mm 30 per carton

SAV39T*

Clear is a stock item. Sold in full cartons only.

Other colours available in production quantities of over 1000 metres or more.

ANGLESCAN

Provides an easier reading angle for lower shelves.

Adheres to the TOP surface of the shelf. The edge of the Anglescan provides a small barrier to assist with preventing stock falling off the shelf edge.

Colours: Blue, Clear, Grey, Red & White.

Lengths: 914 mm, 1200 mm or cut to size.

26 mm 50 per carton

SAH26T*

39 mm 50 per carton

SAH39T*

Clear is a stock item. Sold in full cartons only.

Other colours available in production quantities of over 1000 metres or more.

COMBO STRIP

Self adhesive Scanstrip is attached on the top edge of a retail shelf.

Flexible area between top and bottom strips allows the bottom strip to flip up

as stock is removed from the shelf. Combo strip allows a second line of

information and is ideal for conforming to the new unit price legislation.

More cost effective than two pieces of Scanstrip joined together.

Colours: Clear

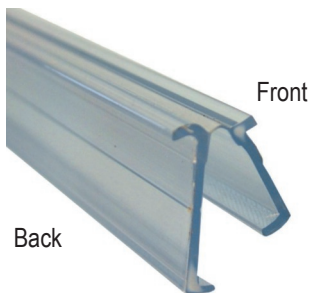

Length: 600, 900 or 1200 mm or cut to size.

Width: 26 mm 25 per carton

SAH26+SF26TCL

Sold in full cartons only.

Other colours available in production quantities of over 1000 metres or more.

HINGED SCANSTRIP ADAPTOR FLAT

Scanstrip Adaptor is screwed or adhered to shelves.

Flat Scanstrip is attached to front to create sturdy hinged effect for high traffic areas. Holds Scanstrip up to 80mm width.

Colours: Clear

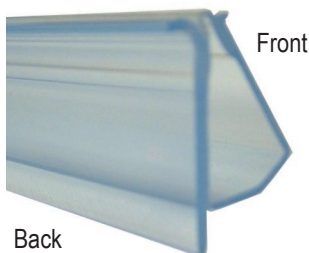

Lengths: 1200 mm.

Width: 39 mm 25 per carton

HDHFCL1200

Sold in full cartons only.

Other colours available in production quantities of over 1000 metres or more.

HINGED SCANSTRIP ADAPTOR ANGLED

Scanstrip Adaptor is screwed or adhered to shelves.

Flat Scanstrip is attached to the front and displayed at an angle with a hinged effect. Suited to high traffic areas.

Holds Scanstrip up to 80mm width.

Colours: Clear

Lengths: 1200 mm.

Width: 39 mm 25 per carton

HAHFCL1200

Sold in full cartons only.

Other colours available in production quantities of over 1000 metres or more.
