BOTTLE PRESENTER

Bottle presenter is a clever tool for pulling bottles towards the front of the shelf so the shelves always look fully stocked. Originally designed for wine bottles but is suitable for other bottles or cans in rows on retail shelves. To use, simply place the loop around the rearmost bottle and gently pull the whole row forward. Sturdy aluminium construction.
760mm long

ANDY-PULL

CHECKOUT DIVIDER

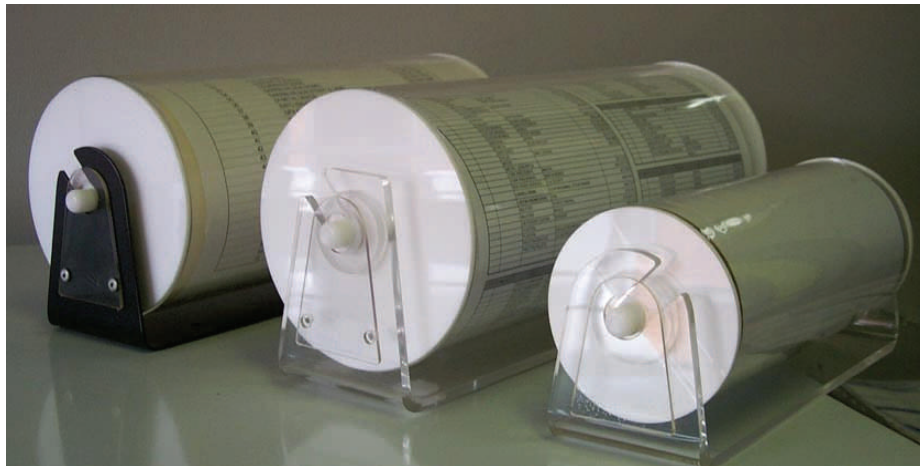

Sturdy checkout divider with message printed both sides.

Also available blank for your own message.
