

Pivot Pricer™

30mm Pivot Pricer™

Pivot Pricer™ is an innovative pricing system that allows individual digits to be changed in just seconds! Simply separate the Pivot Pricer™ Panel from the backing plate and push on the number sections you wish to change. That's all there is to it! Nothing could be simpler. Available in either a "clip in" version or hinged.

Standard Colours: White numbers on black or black numbers on white background.

Custom colours available in production quantities.
