 (Includes two 6 digit pricing modules)

**TAXOM 500 PRICING SYSTEM**

Taxom 500 has 5mm high pricing numerals. To change prices, turn the dial to the desired number. Slide the numeral module into the Taxom 500 tool, then remove. That is all there is to it. Repeat the procedure for as many numerals as you need. Price modules can then be displayed as required. **All components in packs of 20**

**TAXOM 500 PRICE MODULES**  
 7mm (H) & 7mm (D).
