

# Ticketing

## Pad Ticketing System

### **Introducing the new Pad Ticketing System!**

**Pad ticketing can be made in any format or combination of your choosing.**

*All you need to do is:*

1. Decide overall size and colour of your ticket frame.
2. Choose double or single sided frame.
3. Select how many rows you need for headers or information.
4. List the options for header inserts.
5. Decide how many rows you need for pricing.
6. List what message options you need for the flip pads (i.e. Save, reduced to, per pack)
7. Decide how to display your ticket. (i.e. on a pole, free standing, hanging etc).
- 8.. Call P.O.S.M. to request a quote. (Only available in production quantities).

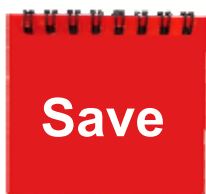

2 row ticket frame

3 row ticket frame

5 row ticket frame

**Quick & easy price changes!**

To change pricing or information, simply remove pad, flip over to desired page and pop back into frame. All done in seconds.

Pole with screw fitting and heavy base. Ask about other fitting options
