

Professional Retail Ticketing is now *easier than ever* with Sign IQ. In just 4 easy steps, professional ticketing, customised to individual store needs can be readily available.

1. Sign up to a Sign IQ full service subscription.
2. Your new fully customised and integrated ticketing system will be installed via the internet. Sign IQ tickets can include branding, barcodes, product information from your database, and special prices.
3. Sign IQ will train your staff on how to use the new system in *just 10 minutes* over the internet.
4. Start printing POS tickets straight away.....easy!

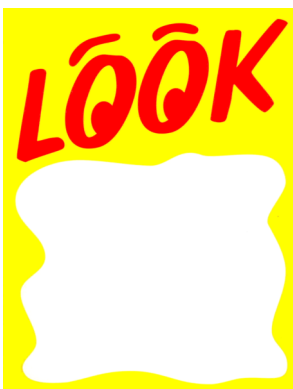

Pre-printed Computer Tickets make it quick, easy and economical to make up retail tickets with ink jet or laser printers. Sturdy backing provides support while the ticket is fed through your computer. Backing can be peeled off for a self-adhesive ticket or left on for use as a normal ticket. Tickets are available in either an A4 single ticket or 9 small 68 x 99 mm tickets on an A4 sheet. Some designs are available in both sizes. Packs of 20 sheets.
