## 4 TIER CARDBOARD IMPULSE BIN

This glossy white cardboard bin takes less than a minute to pop up ready for use as an impulse sales promoter.

The slimline design makes it perfect for aisles in supermarkets and department stores.

Ideal for promoting new lines in front of the shelf without completely hiding the shelf behind.

Ideal for stock that needs to move quickly.

Packs of 4. Supplied Flat packed.

1150mm (H) x 380mm (W) x 220mm (D)

## 3 TIER BLACK BIN

This glossy black bin is designed to hold lightweight goods.  
Cutaway edge enhances side visibility of stock.

An economical option to move that extra stock.  
Flat front is ideal for applying Scanstrip.  
Ticket frame can easily be clipped to the top.

Quick and easy assembly.  
Supplied flat packed.

1200mm (H) x 460mm (W) x 270mm (D)
